

PGA CATALUNYA
GOLF AND WELLNESS

Dear European Golf Association and Real Federación Española de Golf,

We are glad to communicate you that we will have the honour to host from the 6 to 10 July 2021 the **European Amateur Team Championship**, on the Stadium course.

This spectacular and imposing course has been consistently ranked among the best ten golf courses in Europe since it was opened in 1999 and was voted #4 in continental Europe and #1 in Spain in 2019. As the venue for numerous PGA European Tour events, it is also routinely singled out for praise from the professional playing fraternity.

PGA Catalunya Golf and Wellness Resort has different options for the accommodation of your teams as follows:

HOTEL CAMIRAL*****

WELLNESS CENTRE

AT PGA CATALUNYA

Our philosophy reflects the overarching wellness ethos at PGA Catalunya Golf and Wellness.

We put guests at the centre of a holistic sphere that embraces movement, recovery, relaxation, traditional and cutting-edge therapies and expertise in nutrition.

We aim to meet our guests' needs in a holistic and personalised way, whether they are seeking an escape from the stresses of everyday life, or looking to make a conscious shift towards a healthier lifestyle.

Holistic wellness for life

WELLNESS CENTRE

Wellness Centre is located beside Hotel Camiral, in a 1,000 sq m building designed by the renowned Lagula Architects with a light, bright indoor-outdoor feel that invites the natural surroundings in.

Inclusive, personalised programmes

WELLNESS CENTRE

We offer a variety of one- and two-day programmes, focused around Celebration and Vitality concepts and thoughtfully crafted to reflect guests' needs, interests and time.

Our programmes are designed to maximise the effects of cutting-edge, high-tech therapies working in synergy with traditional, natural treatments - all within a relaxed, spacious environment where guests can take as much time as they need to feel the benefits.

Our partners

We work with two of the world's leading brands to deliver our traditional treatments and rituals.

Aromatherapy Associates was a pioneer in the field of essential oil blending, understanding how each oil drawn from nature's healing palette plays a key, active role in supporting physical and emotional well-being.

Paris-based Biologique Recherche has been at the leading edge of science-based skincare since the 1970s, developing formulations based on pure, raw active ingredients for optimum effectiveness.
