

APGC JUNIOR CHAMPIONSHIP

THE CLEARWATER BAY GOLF & COUNTRY CLUB 29-31 AUGUST 2018

TEAM EUROPE SELECTIONS

The Asia-Pacific Golf Confederation (APGC) has invited two European teams to play in the APGC Junior Championship for the third consecutive year.

Four European players, representing two mixed European teams, will travel to Hong Kong to compete against the best junior players from the Asia-Pacific region.

The APGC Junior Championship, now in its fourth year, will be played at Clearwater Bay Golf & Country Club, Hong Kong. Teams will play fourballs on the first day, foursomes on the second day, and singles on the third day – with the combined scores counting for each team’s total.

The European teams were selected based on finishing position in last month’s European Young Masters.

Sakke Siltala, Finland, and **Caitlin Whitehead**, England, will make up the first European Team. Siltala claimed the silver medal

in the boys’ category in Norway, losing out to a birdie on the first playoff hole against Denmark’s Sebastian Friedrichsen. In the girls’ category, Caitlin Whitehead took home the gold medal finishing on three-under-par after three days of play at Hauger Golklubb.

In the second European Team, Northern Ireland’s **Beth Coulter** will join Germany’s **Luc Breuer**. Breuer shot the lowest score of this year’s European Young Masters, a seven-under-par 65 that featured six birdies and two eagles, helping him to a bronze medal, while Beth Coulter narrowly missed out on the podium to finish fourth.

The teams will be captained by **Jennifer Henderson**, England Golf’s Performance Manager.
