A subsidiary Nations' Cup will be played in conjunction. The three best of the two girls' and two boys' scores will count each day. The total aggregate of the nine scores over the three days will constitute the team's score.

After this deadline, the Nations' Cup team must remain with the same players for the entire Championship. A substitute player is permitted for any reason, but may not participate in the practice rounds until he or she has been officially substituted for a team member with permission from the Committee. A breach of this Condition may result in the substitute player not being permitted to compete.

1.5 Practice

A Player, Team Captain or Team Advisor will not be allowed to practice on the championship course for a period of thirty

days before the first official practice day, unless he or she is a member of the golf club at which the championship is being played. The play-off shall start as soon as practicable after the final competitors have finished their round.

In case of a tie for the silver or bronze medal, the places will be decided on the basis of scores recorded for the final 18, 9, 6, 3 holes or last hole, in that order. If a tie still exists, a further 18-hole count-back will be used on the second and then first round, if necessary.

A tie for any place in the Nations' Cup shall be decided using the lowest total of the three non-counting scores. If a tie still exists, the sum of the three lowest scores, one from each day, shall be used. For further ties, the sum of the three second lowest scores and the third lowest scores, one from each day, shall be used.
