## Messages

It is my privilege and honour to welcome all Competitors, Captains and Officials to the 2020 European Girls' Team Championship.

We are most grateful to the Slovak Golf Association and to Green Resort Hrubá Borša for organising the event and hosting us all. My thanks go to all the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone. I am sure that all competitors will enjoy this beautiful venue.

This event will be another opportunity for great golf, where some of Europe's most talented amateur golfers come together in a competitive and friendly manner.

My best wishes to the teams, officials and supporters. Play well, enjoy yourselves and I hope that you will all get the chance to make new friendships, which may well last a lifetime.

President  
European Golf Association

Dear Ladies and Gentlemen, dear Golfers,

On behalf of the Slovak Golf Association I would like to welcome you to the 2020 European Girls' Team Championship, held at the beautiful Green Resort Hrubá Borša in Slovakia.

The Slovak Republic has already had the opportunity to host EGA championships many times. We can mention the boys', girls', Senior Ladies' Team championships and the Ladies' Club Trophy or the Amateur, the Ladies' and the Mid Amateur Championships.

I am convinced that this golf course is of the highest standard for the best European amateur players and we will see first-class golf.

I wish to all of you a very pleasant time and successful game.

Play well.

**Tomáš Stoklasa**  
President of the Slovak Golf Association

## *About the Course*

Welcome to GREEN RESORT Championship Course, the most visited golf course in Slovakia. Only a half an hour drive from the capital of Slovakia, Bratislava, you can find this spectacular 18-hole Championship Golf Course, which has a lot to offer for golfers of all skill groups. It was opened in August 2014 and is surrounded with the GREEN RESIDENCE housing estate. The architect of the GREEN RESORT golf courses is Martin Munka, with the final touches given by a reputable english shaper, Chris Horn.

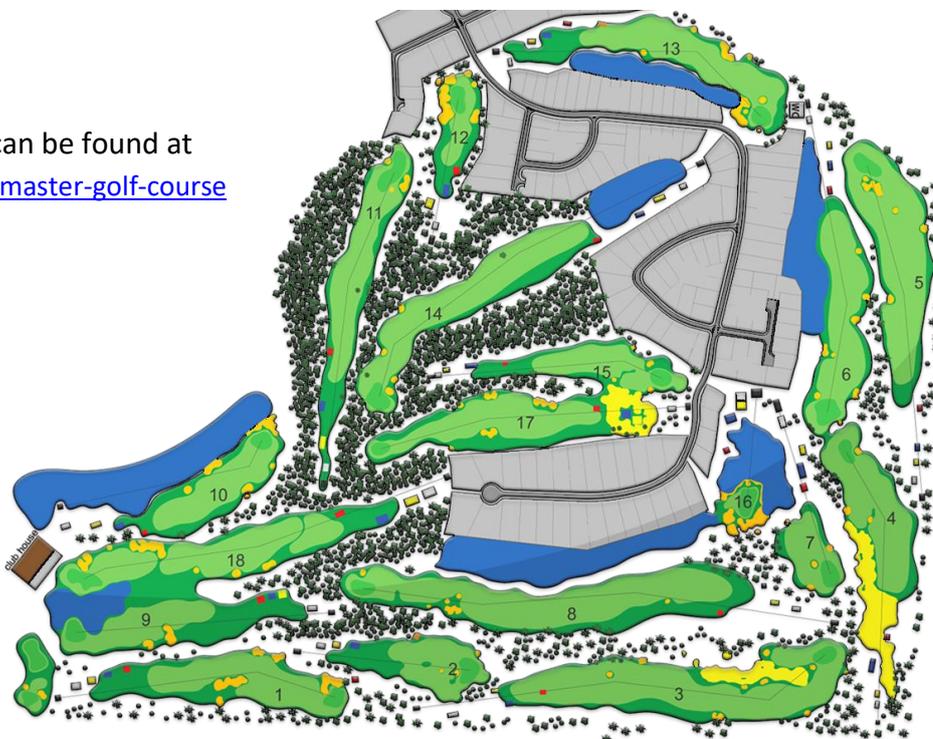

Most of the course is drawn on a typical south-slovak plateau, with water coming into play on almost half of the 18-holes, and a charming alluvial forest, in which 7 holes are fully or partially embedded. The length of the course from the black tees is 6691m, which makes it a huge challenge in master competitions.

The region with its flat landscape predisposes the golf course to have the same character, however, huge amount of soil brought during the construction allowed the architects to create a rugged layout, with a lot of ridges, slopes and breaks. Bent grass is used on greens and fairways as well, which ensures an exquisite quality on both.
