# WELCOME MESSAGES

On behalf of the European Golf Association, I wish to express our most grateful thanks to the Estonian Golf Association and the Estonian Golf & Country Club for hosting the 2022 European Senior Men's Team Championship.

I know that all golfers will enjoy the privilege of competing in this event.

As always, friendships will be enhanced by the friendly rivalry which this event provides, and I wish all competitors a most happy and enjoyable championship!

**Jan HUBRECHT**

President, European Golf Association

On behalf of the Estonian Golf Association, I am happy to welcome you to the 2022 European Senior Men's Team Championship, held at the Estonian Golf & Country Club by the beautiful shores of Gulf of Finland.

We are honoured to host such an important competition in Estonia and we are glad to see you all here with us. EGCC is a golf course with long traditions – over the years it has hosted a total of 6 different European Championships.

Our capital city Tallinn is a city with a long history dating back to 13th century. It has a magnificent Old Town dating from the Middle Ages, when it was the member of Hanseatic League. Today Tallin is the city with probably the most vibrant start-up community in Europe. So we can guarantee a lot of sightseeing and networking opportunities for you outside the athletic program.

Best wishes for the competition and Welcome to Estonia!

**Erki Mölder**

President, Estonian Golf Association

# ABOUT ESTONIA

Estonia is situated in northeastern Europe and juts out into the Baltic Sea, which surrounds the country from the north and west.

Capital: Tallinn  
Language: Estonian  
Currency: Euro €  
Population: 1 326 535

Estonia's capital Tallinn is the best preserved medieval city in Northern Europe. Many Estonians speak English, Russian, Finnish and German as well as Estonian. Estonia is about 50% forest and has over 2000 islands. Estonia is a digital society and has a population of just 1.3 million, but is larger than Denmark and Holland.

# ESTONIAN GOLF & COUNTRY CLUB

Estonian Golf & Country Club offers golfers a 9 hole links style Stone Course and an 18 hole championship level Sea Course.

The Sea Course with it's 18 holes stretching over 6500 meters, is a true championship golf course. Holes built among unspoiled forests reach out to the beach and play along the Jägala River.

With an overall elevation change of 40 meters, oak alleys, ancient boulders, and natural ponds the site is befitting of world class golf course. Due to the length and complexity, the Sea Course is a real challenge even for the golfer of the highest skill level.
