

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

ROYAL ST GEORGE'S GOLF CLUB, ENGLAND

5 – 9 July 2022

Message from the EGA President

On behalf of the European Golf Association, I wish to express our most grateful thanks to England Golf and the Royal St George's Golf Club for hosting the 2022 European Amateur Team Championship.

I am sure that all competitors will renew friendships and make new ones during our championship, and that they will keep fond memories of the event.

Generations of golfers have improved their game through the EGA's championships and it is not surprising that European golfers are now recognised at the highest level having participated in our championships.

Best wishes to all competitors and to all those involved in the event for a very happy and successful championship.

Message from the England Golf President

England Golf are delighted to host the European Amateur Team Championship at Royal St George's Golf Club, one of the finest golf links in the country.

Royal St George's has hosted 15 Open Championships and will present a tough but fair challenge to the players leading, I am sure, to an exciting Championship.

My thanks to the Captain, Board and all the members for allowing us the use of their course.

I hope all the players, captains and officials enjoy their time in Kent during the championship.

Message from the Captain of Royal St George's Golf Club

Members of the European Golf Association, England Golf, National Associations, Team Captains, Players, Friends and Officials, it is with great pleasure that I welcome you to Sandwich and to Royal St George's for the 2022 staging of the European Amateur Team Championships. The last time the Club was honoured to host this championship over our links was in 1965, when Ireland prevailed against Scotland. That year individual qualifying rounds were played in gale force westerly winds, with only 28 players posting sub 80 scores in the first round. I hope that this year no player will need a driver, followed by two 2 Irons to reach the 14th green, as was the case 57 years ago!

The Club looks forward to welcoming Europe's best amateur golfers to Royal St George's and we expect to provide you with a course and championship which will allow you to demonstrate your skills at their best. The unique format of the Championship means that every player's score and every match will help determine the final result. We hope that not only will you enjoy the heat of international competition, but will also cement lifelong friendships with your golfing peers from across the nations of Europe.

I look forward to meeting you all here in July and may the best team win.

Christopher KEMP

HISTORY OF ROYAL ST GEORGE'S GOLF CLUB

Founded in 1887 and intended by its founder, Dr William Laidlaw Purves, to be a rival to St Andrew's in the South of England, St George's is consistently ranked amongst the leading courses in the World.

The Club occupies a unique place in the history of golf, for it was here in 1894, that the Open Championship was first played outside Scotland. In that year, the great J. H. Taylor was the winner but there have been thirteen other winners over the years, most recently Collin Morikawa in 2021.

In all there have been 15 Open Championships played at St George's, more than any course outside of Scotland.

In addition to the Open Championship, the Club has hosted the British P.G.A. Championship on five occasions, the Walker Cup twice, a victorious Curtis Cup in 1988, and has been the venue for the British Amateur Championship on no less than thirteen occasions. Winners at the Club are a veritable Who's Who of golf; Jack Nicklaus won the Grand Challenge as an amateur, Nick Faldo and Seve Ballesteros have both won the P.G.A. Championship here, Darren Clarke, Sandy Lyle, Bill Rogers, Bobby Locke, Reg Whitcombe, Henry Cotton and the great Walter Hagen have all won an Open Championships on the links. Tony Jacklin won the Dunlop Masters at the Club in 1968 when he had the distinction of achieving the first hole in one to be seen live on television. With such a record, it is hardly surprising that the Club is steeped in history and tradition, and even the most casual visitor cannot fail to be aware of this.

The layout of the course has not changed greatly in the last 135 years and provides a stiff but fair test to professional and amateur alike. No two successive holes play in the same direction, making the ability to play shots in all wind conditions a necessity to score well. Members and visitors come from all over the world, to enjoy a world class golf course and the unrivalled standards, ethos and welcome that St George's offers.
