31 Aug – 4 Sep 2021, SEDIN GOLF RESORT, SLOVAKIA
COVID – 19 PROTOCOLS

HEALTH PROTOCOL ON SITE

The face masks in the closed inner space of the club house are mandatory.

ENTERING SLOVAKIA (the borders)

When entering Slovakia both the fully vaccinated and the not vaccinated persons need to be registered in the government administrating system here:

<https://korona.gov.sk/en/ehranica/>

FULLY VACCINATED PERSONS

They need only to register in: <https://korona.gov.sk/en/ehranica/>

NOT VACCINATED PERSONS

They need to register in: <https://korona.gov.sk/en/ehranica/>

And show the PCR negative test not older than 72 hours.

The definition of the vaccinated persons is available in section 1, number 2 of the Decree's link:

https://www.mzv.sk/documents/10182/4369283/vyhlaska_hranice_EN.pdf/1eea00e2-5239-4af9-8f72-7b41aa988580

The confirming papers need to be issued in Slovak or Czech or English language.

Please see the attached forms of either Test confirmation (must be filled in with the negative PCR test result not older than 72 hours by those, who are not fully vaccinated or did not recover from Covid-19 disease in last 180 days) or the Confirmation of recovery (must be filled in by those, who did recover from Covid-19 disease in last 180 days) in annex 1 and 2.

We will collect the papers at the registration office. The officers at the borders can ask to see them, too.

The confirmation of test shall be signed by an authorized lab/facility and the confirmation of recovery shall be signed by a doctor.

“In case of the not vaccinated persons, who are the athletes, sportsmen and members of the implementation teams, the EXEMPTION from the quarantine is only valid, when they have the PCR negative test not older than 72 hours, when entering Slovakia.”

A PCR negative test is mandatory for anybody coming from the Great Britain.
