## EGA PRESIDENT MESSAGE

The European Golf Association is grateful to the Danish Golf Union and to Rungsted Golf Club for hosting the 2019 European Senior Men's Team Championship.

This event gathers many talented golfers, who have also dedicated much of their golfing life to others, as club or federation officials, or team captains.

The game of golf is enhanced by their contribution, past and present.

I wish all competitors a lot of fun and the very best of luck during the championship!

Pierre Bechmann

## **DANISH GOLF UNION DEAR PLAYERS – CAPTAINS – VISITORS AND OFFICIALS!**

I wish you all a warm welcome to Denmark and Rungsted Golf Club for this year's European Senior Men's Team Championship.

We have been looking forward to hosting you all, and I know that a lot of effort has been put into giving you the best possible experience on and off the course – during your stay.

Rungsted Golf Club was a natural choice for us. It has a historic and scenic course and the club has always been very committed to Amateur Golf – which is why, they said a big YES right away – when asked to host this event.

Organizing such an event for the National Federation is not possible without strong support from the club hosting, from their staff and from the members and all the volunteers. I wish to extend a big 'thank you' from me to all of you - this kind of event cannot be held without you and your commitment to this lovely game.

As players you will have the opportunity to play one of the oldest courses in Denmark. It is beautiful, but it is also very challenging, so be careful out there and be aware of especially the last 4 holes – these holes have altered the outcome of many a golf round.

Amateur golf is a very important part of the golf world even though mainly professionals are seen on television. If you want to compete at the highest level, the way to get there is through our extensive amateur programmes in clubs, federations and international tournaments.

Having a Senior Men's Team Championship is very important, as more and more golfers of this age want to play competitive golf – even when it is not for a living.

I am looking forward to watching some excellent golf matches with high intensity and all in the spirit of our fantastic game.

Thank you for coming to Rungsted Golf Club in Denmark and hopefully we will make this event something we, the players, the organizers and all the volunteers and visitors will look back on with good memories and having made new friends.

Play well!

Lars Broch Christensen  
President

## **RUNGSTED GOLF CLUB – CHAIRMAN’S MESSAGE**

Rungsted Golf Club is delighted and honored to be hosting the 2019 European Senior Men’s Team Championship.

Throughout its 82-year history, Rungsted Golf Club has hosted a large number of international tournament events, and we have had the privilege of welcoming a number of the best players in the world, many of whom have now joined the ranks of legendary senior players.

Senior golf has rightfully gained increasing popularity, and we look forward to receiving so many of “Europe’s finest” in Rungsted.

Rungsted Golf Club is on a constant journey to improve itself in all areas of the club while at all times preserving our unique culture and historic atmosphere of the club.

Earlier this year, we welcomed Barry Crawford as our new course manager, and Barry has draw on his vast experience in the preparation of golf courses for international events when presenting the course for the upcoming Championship.

Rungsted Golf Club, our members, board and staff are proud to welcome players, guests and visitors and to showing the best of our golf club for this year’s European Senior Men’s Team Championship.

A very warm welcome!

## Club Details

Rungsted Golf Club just 30 min. from Copenhagen, has been chosen as the venue for the 2019 European Senior Men's Team Championship. The 18-hole championship course created by Charles Atkinson MacKenzie, brother of the well known golf course architect Alister MacKenzie (Augusta National).

The club facilities include large practice areas with Trackman, a pro shop and cozy social areas. The restaurant, led by Jonas Preisler and Mikkel Laursen serves fresh and delicious meals in the restaurant on the 1st floor.

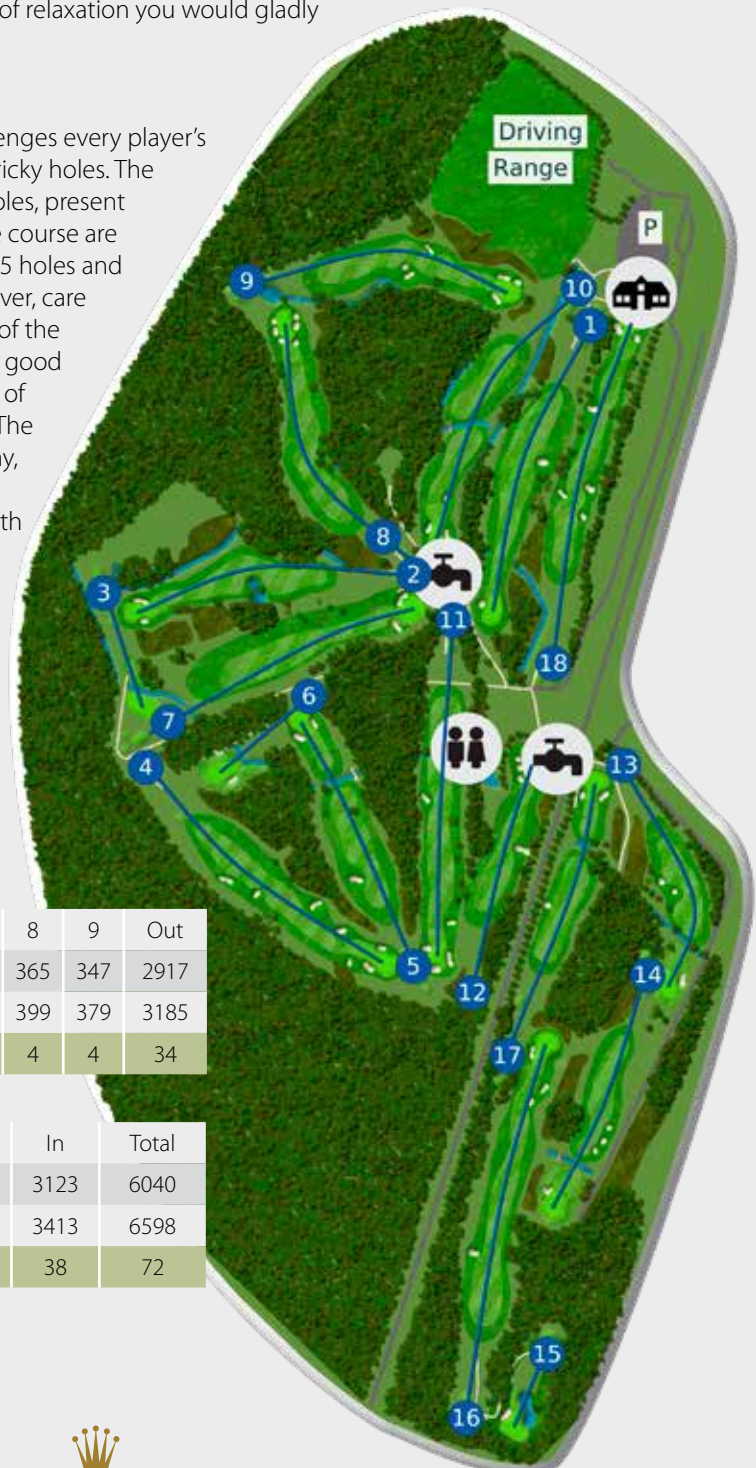

The sun terrace produces the kind of atmosphere of relaxation you would gladly treat yourself after a round of golf.

## The Course

The layout of the Rungsted Golf Club course challenges every player's ability, thanks to course management and some tricky holes. The first nine holes, two par 3 holes and seven par 4 holes, present challenges for any golfer. The last nine holes of the course are perceived as somewhat easier, because of the par 5 holes and because several of the par 4 holes are short. However, care should be taken to be lured by the apparent ease of the holes, as several of them require precise shots and good course management. Especially the last four holes of the course are known, loved and feared by many. The 15th hole, where the rhododendrons bloom in May, is a beautiful nature experience and the course's signature hole. There is a toilet on the course at 12th green (found in the building to the left of green).

There are water posts on holes 2, 8, 11 and 12.

Toilet on hole 12.
