

2019 European Amateur Team Championship.

WELCOME TO SWEDEN AND LJUNGHUSEN GOLF CLUB

2019 European Amateur Team Championship.

President's message

On behalf of the European Golf Association I wish to express our most grateful thanks to the Swedish Golf Federation and to Ljunghusen Golf Club for hosting the 2019 European Amateur Team Championship.

Sweden is the most remarkably supportive host of our European events and is an example to all other countries for its annual hospitality.

I am sure that all competitors will renew friendships and make new ones during our championship, and that they will keep fond memories of the event.

60 years ago, the first European Amateur Team Championship was played at Real El Prat, in Barcelona, and Sweden defeated France in the final.

Ever since, the championship has provided the best occasion for the most gifted European golfers to compete against each other.

Generations have improved their game through the EGA's team events, and it is not surprising that European golfers are now recognised at the highest level as such successful team performers.

Best wishes to all competitors and to all those involved in the event for a most happy and successful championship.

Pierre Bechman

President of the European Golf Association

2019 European Amateur Team Championship.

Welcome to Sweden!

As President of the Swedish Golf Federation, it is my great honour and privilege to welcome all players, captains and officials to Ljunghusen Golf Club, a top-class golf facility in the southern part of Sweden.

As one of the leading golfing nations in Europe, with nearly 500 000 golfers and 460 golf clubs, the Swedish Golf Federation has the ambition to support European golf by hosting one European Championship each year.

In 2019, I am proud that we have been given the opportunity to host the European Amateur Team Championship together with Ljunghusen Golf Club.

Ljunghusen is one of Sweden's oldest golf clubs. It was founded in 1932 and in 1965 became the first in the country to have 27 holes and is also one of the few genuine links courses in Sweden. It borders to a large protected wetland area and is located in a nature reserve just a few meters from the white sandy beaches of the Baltic Sea.

The golf club will be an excellent host and you will all be taken very good care of by staff and members, as well as by the officials from the Swedish Golf Federation.

I wish all participating players, captains and officials the best of luck. Have fun and enjoy your stay in Sweden!

Maria Möller

President of the Swedish Golf Federation

2019 European Amateur Team Championship.

Welcome to Ljunghusen Golf Club

As President of Ljunghusen Golf Club, located at the Swedish Gold coast in Höllviken in the south of Sweden, I have the great honour to welcome all players, captains and other visitors.

I am delighted and proud to show our fantastic golf course to the best amateur players in Europe. We will do our best to give you a memorable championship week in Sweden.

Ljunghusen GC, founded in 1932, is a 27-hole links course set on the unique heathland of the Falsterbo peninsula. With the mild costal climate, it is generally possible to play golf 12 months a year on regular greens. The best season is April through November.

Ljunghusen GC has hosted Swedish and international Championships like the European Tour PLM Open in 1984 and 1987, Telia Tour Grand Prix 1996–2004 (European Challenge Tour) and the European Amateur Team Championship in 2001.

Frequently a hard wind blows in from the Baltic Sea and since there are about 80 bunkers and a number of penalty areas, Ljunghusen GC can be very challenging, together with the heather outside the fairways.

Many birds, of which the small tern, oystercatcher and lapwing as the easiest to discover, breed on the golf course. In June 2009, Ljunghusen GC became the first golf club to achieve the renowned global eco-label GEO Certified. Ten years on, we are the first to have been re-certified a third time.

Our staff has done a fantastic work during the winter and spring to shape a competition golf course of very high class.

I wish all the players and captains a nice stay at Ljunghusen and I wish that the championship will be held in very good sportsmanship.

Good luck to all of you and let the best team win!

Stefan Lindvall

President of Ljunghusen Golf Club

Welcome to Ljunghusen!

In the meadows towards the sea in Ljungskogen, the children used to play golf with a club and a ball in the beginning of the 1930's. In 1932, Ljungskogens Strandbad AB built the six holes that became the beginning of Ljunghusen Golf Club and in the summer of 1932, the club had 12 members. At the end of the year the number had risen to 43.

The current clubhouse was built in 1965. The number of members was then 450 and they voluntarily subscribed for shares to finance the plot.

Between 1932 and 1965, the course was extended and Ljunghusen was the first golf club in Scandinavia with 27 holes. This layout is for the most part what is still used today.

The course is a classic links, although you won't see any gigantic sand dunes. What you will experience, however, is heather – thick and impenetrable in the summer. Therefore, the fairways from the tees can seem to be narrow. But this is not entirely true, and players of different skill levels can really appreciate a round here.

Ljunghusen GC has hosted many major tournaments, both professional and amateur, including 1987 PLM Open on the European Tour and the 1977 Vagliano Trophy and it is the second time Ljunghusen GC is hosting the European Amateur Team Championship, first time was in 2001.

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

Terms of Competition and Local rules

1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) Member National Golf Authorities based on invitations to:

- a) the teams placed 1st to 13th from the previous championship;
- b) the Host Nation's team;
- c) the first two/three teams (see Note) of the previous European Amateur Team Championship, Division 2. The results of the previous European Amateur Team Championship, Division 2 will constitute a reserve-list order to be used when an invited team is unable to participate.

Note: If the Host Nation is not eligible under category (a) or (c), category (c) will be limited to the first two teams of the previous European Amateur Team Championship, Division 2.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be:

- a) amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- b) citizens of the country represented. Players with dual citizenship may only represent one country per year;
- c) playing with a handicap of 6.0 or better.

Penalty for Breach of Eligibility Term: disqualification of player.

1.3 Format

A maximum of 16 teams shall be eligible to participate and each shall comprise six players.

The Championship comprises two stages played in accordance with the 2019 Rules of Golf as approved by R&A Rules Limited, the EGA Generic Terms of Competition and Regulations, EGA Hard Card and the Local Rules as approved by the Championship Committee at the championship.

1.3.1 Stage 1 - Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the seeded draw for the match play, which commences on Day 3.

a) Order of Play

Team Captains will determine the order of play within their teams for Days 1 and 2 using the official order of play form. If the order of play form is not submitted to the Committee:

- I. for Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname;
- II. for Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.

b) Scoring

The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score.

c) Decision of Ties

A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. For further ties, the sum of the two second lowest scores, the third lowest scores, the fourth lowest scores and, finally, the sum of the two fifth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final 18, 9, 6, 3 holes or last hole of the best score from each of the tied teams.

d) Substitutes

If a substitute player is required, the Committee must be notified, at the latest, 30 minutes before the first tee time of Day 1. After this deadline, the team must remain with the same players for the entire Championship. A substitute player is permitted for any reason, but may not participate in the practice rounds until he has been officially substituted for a team member with permission from the Committee. A breach of this Term may result in the substitute player not being permitted to compete.

e) Absentee Player

In the event that a registered team member cannot participate in a stroke play round, the team's five scores will count. In the case of a decision of ties, the team with the absentee player shall finish last. If more than one player is absent, the team shall automatically assume last place in the match play draw. The remaining players shall be permitted to play their stroke play rounds, which the committee may use to determine match play seeding when more than one team has two or more absentee players.

1.3.2 Stage 2 - Match Play

Irrespective of the number of teams entered, only teams in contention for a medal will play a match format of two foursomes and five singles. All other teams will play a one foursome and four singles match format.

The stroke play will determine a seeded order for the match play. A maximum of 16 teams will be divided into a first flight of eight teams: 1 vs 8; 2 vs 7; 3 vs 6; and 4 vs 5 and a second flight of eight teams: 9 vs 16; 10 vs 15; 11 vs 14 and; 12 vs 13.

If there are fewer than 16 teams, the seeded draw will change according to a standardised EGA format. A win in either a foursomes or singles match shall return one point, a tied match, half a point (see 1.3.2 (d)) and a loss, zero points to the team's score.

Note: Teams placed 14th to 16th shall be relegated to the European Amateur Team Championship, Division 2.

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

Terms of Competition and Local rules

a) Order of Play

I. Medal-Contention Matches

Team Captains must provide the Committee with the order of play, using the official order of play form, for the foursomes and singles matches:

- i. for the foursomes, on the eve of the match, no later than 30 minutes after the completion of the second round of stroke play for day 3; and for days 4 & 5 foursomes, no later than 30 minutes after the completion of their team's flight.
- ii. for the singles, on the day of the match, no later than 30 minutes after the team's last foursomes match completes the first nine holes.

II. Non Medal-Contention Matches

On the eve of each match, Team Captains must provide the Committee with the order of play, using the official order of play form, for the foursomes and singles matches:

- i. for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- ii. for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous Day.

Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname.

Once the official deadline to submit the order of play form has expired, changes in the order of play are not permitted. **Exception:** substitute Term 1.3.2 (b).

Penalty for Breach of Term 1.3.2 (a): disqualification of all players out of the pre-stated order of play.

b) Substitutes:

For Medal-Contention foursomes only, substitutions may be made only for reasons of illness, injury or exceptional grounds acceptable to the Committee. The Committee must be notified of a substitution no later than 30 minutes prior to the team's first foursomes tee time. The substitute will take the position of the player he substitutes.

A player substituted from the foursomes is not permitted to be entered in the singles' draw on the same day.

Substitutions are not permitted for Medal-Contention singles, unless accepted by the Committee under exceptional circumstances.

c) Tied Match

In the event of a match being all square after 18 holes in any round, players shall continue to play until one wins a hole, when the match will be considered won.

Exception: Term 1.3.2 (d)

d) Concession of Matches

When a final team match result is already decided, an individual match may be tied if all participants in that match agree.

Note: after 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match in question will be tied.

e) Absentee Players

In the event that one (several) registered team member(s) cannot participate in a match play round, matches shall be forfeited at a position within the order of play according to the following principles.

I. Foursome matches must not be forfeited and must always be played.

Exception: in a medal-contention match, if a team has three absentee players, one foursome will be forfeited.

II. Non-Medal Contention Matches

i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player placed in the position of his or her choice in the singles and that match will be forfeited.

ii. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired,

- if the absentee player is listed to play in the singles: his match shall be forfeited,
- if the absentee player is listed to play in the foursome, he will be replaced by one of the players listed to play in the singles. The replacement will be determined by lot and his single match shall be forfeited.

If fewer than four players are available to represent a team, that team must forfeit its match.

III. Medal-Contention Matches

i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player(s) placed in the position(s) of his or her choice and the match(es) shall be forfeited.

ii. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired, the absentee player(s) match(es) shall be forfeited. **Exception:** Term 1.3.2 (b).

If fewer than three players are available to represent a team, that team must forfeit its match.

Note to I, II and III: In the event that opposing teams would each have one or more absentee players, then these players would be deemed

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

Terms of Competition and Local rules

to have been paired together and to have tied their match. Should this require the re-pairing of matches, the player(s) in the match(es) impacted higher in the order of play will descend to play the player(s) in the other impacted match(es). A team match tied result would be decided by stroke play qualification position.

1.4 Practice

A team player, team captain or advice giver will not be allowed to practice on the championship course for a period of fifteen days prior to the first official practice day, unless he or she is a member of the golf club at which the championship is being played.

Only registered team players will be permitted to practice during the official practice rounds and in official practice areas.

See Section 1.3 1 (d) for information on practice for substitutes.

1.5 Team Captain and Advice (Rule 24)

a) Team Captain (Rule 24.3)

Each team may name a Team Captain who must be an amateur golfer in accordance with the Rules of Amateur Status as approved by R&A Rules Limited.

Penalty for Breach of Local Rule: disqualification of Team.

b) Advice (Rule 24.4)

Two advice givers may be named by each team from whom players in the team may ask and receive advice. The first must be the Team Captain (see 1.5.a) and the second may or may not be a professional golfer.

The advice givers must be identified to the Committee prior to the start of the Championship.

The advice givers must not walk on the putting green when the ball of a team player is on the putting green.

Penalty for Breach of Local Rule: general penalty

1.6 Caddies / Electric Trolleys

a) Rule 10.3a is modified in this way: a player must not have a caddie other than a fellow team player during the round.

b) Electric golf trolleys are only permitted if there is a sufficient number to be equally distributed among the teams.

Penalty for Breach of Local Rule: the player gets the general penalty for each hole during which he is in breach of the local rule. If the breach happens between two holes, the player gets the general penalty for the next hole.

1.7 Disqualification

A penalty of disqualification for a breach of the Rules or the Terms of Competition applies only to the round in which the breach occurred unless otherwise determined by the Committee.

A disqualified team will assume last place in the Championship.

2. PRIZES

2.1 Title and Awards

The winning team of the Championship shall be the European Amateur Team Champion for a period of one year. The Championship Trophy shall be held by the winners' National Golf Authority, who will be responsible for the cost of engraving, insuring and maintaining the Trophy and returning it, before the next Championship, to an address named by the EGA Secretary.

The EGA will present medals to the members of the winning team and to the members of the second and third placed teams. Professional golfers nominated as advice givers may receive a medal in the absence of a non-playing amateur team captain.

The EGA will present the host club with a memento.

The host country will present all participants with a memento.
