It is my privilege and honour to welcome all Competitors, Captains and Officials to the European Amateur Team Championship.

We are most grateful to the Royal Spanish Golf Federation and to PGA Catalunya for organising the event and hosting us all. My thanks go to all the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone. I am sure that all competitors will enjoy this beautiful venue.

This event will be another opportunity for great golf, where some of Europe's most talented amateur golfers come together to compete at the highest level of team golf in friendly rivalry.

My best wishes to the teams, officials and supporters. Play well, enjoy yourselves and I hope that you will all get the chance to make new friendships, which may well last a lifetime.

Message from Mr. Gonzaga Escauriaza, President, Royal Spanish Golf Federation.

The Royal Spanish Golf Federation is incredibly pleased to host the European Amateur Team Championship in the amazing PGA Golf de Catalunya, where particularly important tournaments have been played, including 3 editions of the Spanish Open and several European Tour events. Great facilities, wonderful resort and a course recognised all over the world.

My gratitude to the President and Board of PGA Golf Catalunya for their generosity.

PGA CATALUNYA
GOLF AND WELLNESS

On behalf of everyone here at PGA Catalunya Golf and Wellness, it is my pleasure to welcome all competitors, officials, and supporters to the European Amateur Team Championship.

This is a prestigious event with a rich history of participants, victors and host venues dating back to 1959, and our thanks go to the European Golf Association for inviting PGA Catalunya Golf and Wellness to stage this year's edition.

Our resort is well versed in hosting elite level tournaments, and our magnificent Stadium Course earned the plaudits of some of the world's best players during the Open de España in 2000, 2009 and 2014, and the European Tour Qualifying School Final Stage between 2008 and 2016.

Now it is fantastic to see the next generation of talented golfers tackle the challenging layout, which is arguably in the best condition we have ever seen.

Over the winter we have invested considerable time, money and energy in various upgrades, which I am sure you will agree have taken it to yet another level. And in our high-tech Golf Hub, you have one of the finest practice facilities in Europe at your disposal.

When your attention is not on the competition, I hope that you can find time to enjoy the other wonderful aspects of PGA Catalunya Golf and Wellness. Whether it's a walk among the resort's beautiful pine forests or a visit to our new Wellness Centre, we have everything you need to switch off and relax.

I wish you all a healthy and enjoyable week.

David Plana
CEO, PGA Catalunya Golf and Wellness

At the time of registration, each companion will be given accrediting bracelets of different colors to wear each day of training and competition.
4. It is strongly recommended to reduce the number of close contacts at all times to a maximum of 4 people. Establishing a contact bubble is considered the most effective way in reducing contagion and facilitating traceability.
5. Each participant and one accompanying person, if exists, **will undergo an antigen COVID test on site before the start of the competition and will have to give a negative test result to access the club's facilities. This test will take place the 4th July - From 8:00 to 15:00 hours**. A positive result from the player or companion will imply non-acceptance in the tournament. The registration time must be 90 minutes before your departure time for practice.

8. Each player will be allowed access to the field only 90 minutes before the start. At the end of his round, player will be able to use the practice facilities for 1 hour. The temperature at the starting tee will be taken daily and if it exceeds 37.5 °C, the player will have to leave the club..
9. The organization will place disinfectant hydrogel dispensers in strategic places: tee 1 and 10, next to the water coolers, practice range, putting green, card delivery, entrance to the club facilities, toilets, and any place that the organization considers strategic to ensure the safety of the players.
10. The local rules and permanent local rules of the RFEG, as well as pin positions, will be published on the website and tournament notice board to avoid being distributed on the tee.
11. Reminder banners (social distance, masks where they cannot be guaranteed, hand washing, etc..) will be placed in strategic places.

5. The capacity of the practice areas will be limited to avoid crowding and to guarantee social distance.
6. The starting tees will have three points located with 2 meters distance, so that the players can place themselves with their bags and maintain a good social distance.

7. A line will be painted 10 metres behind each tee that cannot be crossed if the next tee is occupied.

The rules currently in place for health safety may vary at any time as stipulated by the responsible Administrations for this purpose.

Failure to comply with these rules will mean:

First infraction: Warning.

Second infraction: Disqualification and immediate abandonment of the Golf Club.

SOCIAL DISTANCING AND HYGIENE MEASURES

In general, social distancing is considered the most effective way to minimize the risk of disease transmission, along with good hygiene practices, such as regular hand washing.

In all competitions, and among those who are not on the field / playing court / Course, it is recommended to respect at all times a social distance of 1.5 meters, and in no case, less than that established as mandatory by the competent authorities .

Strict distancing measures must be applied between athletes and other groups of people who are in the sports facility or space where the competition takes place.

The use of the mask by athletes and refereeing teams during training and competitions is voluntary. In any case, at specific times and in exceptional situations of the pandemic, the regional authorities and / or the Spanish Golf Federation themselves, if they deem it appropriate, may demand the permanent use of masks during training and competitions when they are on the field / playing court.

It is mandatory for all athletes and other team members (Coaches, Captains, Officials, referees, etc.) to use the masks while they are not within the competition area or playing area, except for the coach or team adviser when he is giving instructions to his players.

Recommendations for participants, team members and sports delegations:
